## Fans Witness Close Game At Local Park

Chinese Upset Dope By Winning From Strong 25th Infantry Team By Score of 5 to 4—All-Army Team Wins From St. Louis Squad in Eleven Innings at Athletic Park—Lang Akana and Kan Yen Star for Chinese—Dumshot Proves Hitting Star of Day

Fifteen hundred hungry fans lingered at Athletic park yesterday afternoon long after the busy housewife had seen the table for the evening repast, and as 1500 lovers of the great American game forgot the cravings of the inner man and paid careful attention to the work of one Lang Akana, who upset the dope of the 25th Infantry yesterday by banging out a triple to the farthest corner of the field, and thereby winning a game with the hungry citizens who lingered long to see the outcome of one of the best games that has been staged in the local ballpark.

The Chinese defeated the 25th Infantry team by a score of 5 to 4, and although you would not believe it possible, Mr. Arden Pan, it is nevertheless so, and several lusty voices round the home of the Chinese yesterday evening have a homecoming around the yelling cheer this day. It was a game of thrills and then thrills. Jack Jasper, who made the St. Louis team look like a bunch of electric fans about a week ago, was trotted out from the stable and placed on the hilltop. Jack had everything he had a week ago, but the Chinese hitters also had something, and they demonstrated the having by hitting Jasper to all corners of the playing field.

Kan Yen was on the mound for the Chinese and Kan Yen was catching, and while you are wondering about the good work of one L. Akana it would not be amiss to say something good about the Chinese receiver. Kan Yen played himself yesterday like a big league. In addition to getting a single and a triple he played one of the greatest games behind the plate seen on a local field in many moons. His throws to second were perfect, and often the runner would be caught standing up. He used excellent judgment in the play, and was the life of the team at all times. No better catching has been seen on the local field than that of the Chinese catcher yesterday.

In the initial inning the 25th failed to hit or score, and after Kan Yen and K. Luke had gone out Hoon Ki walked and Lang Akana grabbed the calcium for the first time by tripping to the outer garden. Kan Yen singled and two runs were scored, and the fans who did not believe the Chinese had a chance cheered. They scored again in the second on singles by Yan Chin and Kan Sue. For five innings Jasper pitched good ball and held the Chinese safe.

The Chinese were one run behind in the ninth inning and Hoon Ki started the ball rolling by a clean single. Then Lang Akana moved into the spotlight once more by tripping to deep center, scoring the run, but was caught off third on the play. Kan Yen, co-leader with L. Akana, went the big outfielder one better by hitting a hard triple to left, and scored when Yan Chin made his hard hit of the day. Hoon Ki played the opponents safe in the ninth, and the crowd ambled home to the roll dinner.

Lang and Smith played great games for the soldiers, and with three singles Smith led the visitors in hits, while the work of Swinton on ground balls was especially good. Errors by Luck Yee and the men around first base were responsible for runs, but the out-gardeners for the Chinese were up to standard.

All-Army Wins.

In the first game Bloddy Williams and James had a pitcher's battle for 11 innings, and Oakum of the army spoiled the contest for the Salts by slugging a hit to left that scored the winning run. The features of the game were: Home runs by

Summary: 4 runs, 5 hits off Luck Yee in 5 innings, 20 at bat. Credit victory to Hoon Ki; three-base hits, L. Akana 2; Willis, Kan Yen; two-base hits, Yen Chin; sacrifice hits, H. Cheong; bases on balls, off Jasper 3; off Luck Yee 2; off Hoon Ki 2; struck out by Jasper 6, by Luck Yee 1, by Hoon Ki 4; wild pitches, Jasper. Umpires, Staton and Bruns. Time of game, one hour and 45 minutes.

## WEST POINT PLAYERS CHOSEN AS FOOTBALL OFFICIALS THIS YEAR

(Special Star-Bulletin Correspondence) PORT SHAFER, Oct. 24.—For the 1915 gridiron season, the various school teams in Honolulu have secured the services of 1st Lieut. Joseph A. McAndrews, 2nd Lieut. Charles B. Lyman and Woodfin G. Jones, all of the 2nd Infantry with station at Fort Shafter, for referees of their games. These schools are particularly fortunate to have such stars for referees as each has distinguished himself at West Point and during their time there were recognized as men of exceptional ability on the gridiron and are thoroughly acquainted with all points of the game. These schools can now be certain their games will be refereed with efficiency.

## YOUNG BRAVES WIN CLOSE GAME FROM STARLIGHT TOSSEBS

The Young Braves defeated the Starlights in a well played game at the Punchbowl yesterday morning by a score of 11 to 10. Neither side had an advantage until the last inning when John Gouveia singled and scored the winning run. John Gouveia was on the mound for the Braves, and hurled a good game, sending five of the Starlights back to the bench via the strikeout route.

The lineup for the Braves in yesterday's affair: Charles Teves, c; John Gouveia, p; Julio Castro, 1b; James Pekello, 2b; Albert Goas, 3b; Louis Goas, ss; Frank Correa, rf; Johnny Soares, cf; Charles Kim, lf; Utility men: Arthur Matton, John Focas, John Souza, Alfred Ruething.

## M'KINLEY WINS FROM MILLS BY SCORE OF 41 TO 0

Outweighing and outplaying their opponents in every department of the game the football eleven from McKinley High School Saturday afternoon won a victory over the Mills aggregation by a score of 41 to 0. McKinley scored two of their touchdowns in the first five minutes of play, due primarily to nervousness on the part of the Manoa valley boys. In the latter part of the game the Mills team settled down and played their usual gritty game, pulling down their larger opponents in some pretty tackles. McKinley's defense was impenetrable. Mills failing to make yardage on downs at any time. The high school also put their backs through for many consistent gains against the lighter team.

Liberate Magpions of the valley school stood head and shoulders above his mates, running interference well and bringing down huskies twice his size with perfect tackling. Magpion was in every play, whether offensive or defensive, and it is hardly an exaggeration to say that he was the equal of any man on the field. Given 10 pounds more weight and another year of experience he will be a player to reckon with.

Wan Chiu, Mills right half, carried the ball well but he was not favored with interference, and his several good starts were nipped in the bud by McKinley tacklers. Mills worked the forward pass twice successfully, McKinley once or twice more.

McKinley Plays Well.

For McKinley Hawkins at right half was always a consistent ground gainer, as was also Sam Carter at full, and both the Bent brothers who took turns at left half. Harry Melin at quarter ran his signals well, putting his plays on in rapid succession that savored more of cold weather football than that of sun-kissed Hawaii. In fact, the rapid work of the McKinley team was a feature of the game, and probably responsible for more than one of their six touchdowns. Joe Stickney, who went in for a few minutes at right carried the ball twice over the line. Sam Carter broke up at least a half dozen of the forward passes attempted by the Mills team. Lieut. Green acted as referee, and H. M. Blowers as umpire.

## SECOND TEAMS WILL PLAY TODAY IN TWO GAMES AT PUNAHOU

LEAGUE STANDING.

	W	L	T	Pct.
Punahou	1	0	1	1.000
McKinley	1	0	1	1.000
Honolulu Juniors	0	1	1	.500
All-Students	0	1	0	.000
School for Boys	0	0	1	.500

Two games are scheduled for this afternoon on the local football fields. McKinley high school scrubs will meet the Honolulu School for Boys on the Punahou campus, and the Honolulu Juniors will struggle with the All-Students on the lower campus. The second teams of the league are playing a fast article of football, and the crowds at each game are improving. A number of stars have come to the front this year, and close games are the rule.

Charles Quintal, a brother of George Quintal, the star drop kicker, will play left half and fullback. McKinley has a strong team this year, and should win out from the School for Boys in today's game. The Juniors and All-Students are evenly matched and both teams are claiming a victory when they meet this afternoon on the Punahou Campus at 3:30.

## DENVER AUTOISTS BUNCOED BY FAKE GASOLINE "IMPROVER"

DENVER, Colo.—An oil swindle that has taken in some of the shrewdest business men of Denver is being investigated by State Oil Inspector James Duce, who says that his department will prosecute the swindlers to the limit if they can be arrested.

Agents of eastern manufacturing companies have been working in Denver and other cities of the state for some time selling a so-called "gasoline improver." They guarantee that a two-ounce tablet of the "improver," when dissolved in five gallons of gasoline, will increase its power 30 per cent.

An analysis of the improver has disclosed the fact, says Duce, that it consists merely of a little gasoline, a little kerosene and lubricating oil. The agents have done their work so well, however, that they have been able to get testimonials as to the effectiveness of the improver from some of the best known businessmen of the city.

Every day the papers are full of the deeds of war heroes, but they are not in it with a man of 55 in Camden, N. J., who has just married a widow of 64 with 18 children. He will also be step-grandfather to thirteen others, and the returns may not be all in at that. He won't wear any iron crosses.—Brooklyn Union.

## Punahou Bullet

Capt. Napihaa of the Punahou team, who proved to be a big ground gainer in the game against Kamehameha on Saturday. Time and again the Punahou captain circled the ends and raced through the line for big gains. He was also a star on the defense, and saved his team from defeat on two occasions.

## HONOLULU TO PLAY NATIONALS TONIGHT ON Y. M. C. A. ALLEYS

STANDING OF BOWLING CLUBS.

	W	L	Pct.
P. B. C.	2	1	.667
Cosmos	1	2	.333
Honolulu	0	0	.000
Colts	0	0	.000
Service	0	0	.000
Nationals	0	0	.000

TONIGHT'S MATCH

	W	L	Pct.
Honolulu vs. Nationals	1	0	1.000
Wednesday Night	1	0	1.000
Thursday Night	1	0	1.000
Service vs. P. B. C.	1	0	1.000

The veteran Honolulu team will start another season tonight on the Y. M. C. A. bowling alleys. Their opponents will be the Nationals, a team organized from the newer bowlers with one or two veterans to keep the balance.

Play will begin at 7:30 and spectators are welcome. Seats for 50 have been provided in the gallery along the side-line. George K. Mills will captain the Honolulu team and has five strong bowlers from last year's team. Leslie Scott, C. C. Clark, Harold V. Gear, James P. Winne and Charles A. Franz will be in the line-up. There is a possibility that Franz will have to be out of the city on business which would leave the team without a substitute unless another man is signed today. It is rumored that the Honolulu will add another player to complete their list of seven men.

H. S. Canario will captain the Nationals. He will have A. T. Young, J. A. Malone, George Morath, Lieut. Van Deusen, A. Ackerman and L. H. Benny in his line-up tonight. Wednesday the Colts meet the Cosmos and on Thursday evening, Capt. Staton will introduce his Service Club to the bowling fans with the P. B. C. as opponents.

## CALIFORNIA LOSES FIRST REAL GAME TO U. S. C. ELEVEN

(Associated Press by Federal Wire) BERKELEY, Oct. 25.—Coach Schaefer's moleskin artists of the University of California learned some more football Saturday afternoon when the University of Southern California ran away from the Blue and Gold by a score of 28 to 10. The California team was playing the first real game since their entrance into the American football association, and the men in the back field who had played on last year's rugby team worked the forward pass well, but the linemen could not get into action, and the men from the South made continual gains through the first defense.

California will play the University of Washington on November 6, and as Washington always played the American game they will have a big advantage after the showing of the locals today. Southern California combined a good offense with rapid plays around end, but the Blue and Gold eleven plucked their line and marched down the field for a score. A large crowd

## CHEMISTS AND ENGINEERS TO PLAY WEDNESDAY

The annual baseball game between the Chemists and the Engineers will be staged at Moiliili Field on Wednesday afternoon at 3 o'clock. This game in the past has proved to be of great interest as there are always a number of fans who go out to watch the stars and ex-stars in action. The Chemists have a number of good players in the line-up, and the tip was given out that Luck Yee of the Chinese team would be on the mound for the chemical men.

The Engineers will present a strong line-up with Simpson behind the bat and Eddie Nell on the mound. These two players have proved to be good cards, and are expected to give the sugar chemists a big fight. Among the players who will be out in uniform with the Engineers are: Walter Argabrite, one of the best outfielders in the islands; Lang, Cushingham, Becker, Kinney, Westcott, Carr, Hughes, Ecklund, Cowan and Kopke. There will be no admission to the game, and fans of the city are requested to turn out to watch one of the best games of the year. The game will begin at 3 o'clock sharp.

## MAUI WILL HAVE RACING MEET ON NEW YEAR'S DAY

(Special Star-Bulletin Correspondence) WAILUKU, Maui.—Preparations for the great race meet on New Year's Day at Kahului are well under way. Denervo, Maui Boy and Silla are already on the track and are being scientifically trained and put through their paces.

Jerry Broderick is training Welome Boy, Harold D. and Seabolt at Kapiolani park, Honolulu, and John Kapriel is getting Charles Lucas' Harvester in fine shape for the great event.

Louis Warren is also said to have made up his mind to enter a horse and has sent to the coast for Encore, Frisco Entry.

O'Rourke is coming down from Frisco with his well-known racer, El Oro, and a horse or two from Schofield Baracks will participate in the contest.

A great number of local bicyclists have signified their willingness to enter the bicycle races and the fast man's foot race, which some seemed to think was merely a joke, is coming off all right, all right, as well as two free for all foot races. The fast man's race will probably be 100 yards, and the free for all 220 yards and one-quarter mile.

## COMPANY E TAKES CONTEST FROM TEAM OF U. S. MARYLAND

Company E, 2nd Infantry, had an easy victory over the crew from the good ship Maryland in the game yesterday afternoon. The Shafter tossers jumped on pitcher Parker in the first two innings, and the Maryland players were much at sea during the opening innings. When the score man had finished in the second frame the count read 6 to 3 in favor of the soldiers. After that both pitchers tightened and a good game was played in the latter innings. The score:

U. S. Maryland.

	A	B	R	H	S	P	O	A	E
Uligh, 2b	5	0	3	0	0	2			
Pierce, 1b	5	0	1	0	8	0

Burns, cf	4	0	1	0	1	0			
Simmons, p	4	0	1	0	2	0			
Totals	38	7	11	0	27	13	2		

Summary—Two-base hits, Co. E 4; Maryland 1; sacrifice hits, Co. E 5; Maryland 4; hit by pitcher, Simmons 2; struck out by Simmons 5, by Parker; bases on balls, off Simmons 1, Parker 1; umpires, Elisle and West; scorer, Harry Apothaker. Time of game, 1 hour 35 minutes.

attended, and sentiment locally appears to be in favor of the American game.

Mrs. Anna Kelley, of Pittsburg, 107 years old, was killed by falling down a flight of stairs.

## Punahou And Kam Play Tie Game On Saturday

Kam Threatens to Score in Last Quarter but Attempted Drop Kick is Blocked By Punahou Forwards—Football Fans Treated to Great Exhibition By Moleskin Artists on Kamehameha Field—Girls Hold Center of Stage in Cheering Section

Battling for 60 minutes on the turf field at Kamehameha on Saturday afternoon, Punahou and Kamehameha eleven played one of the best games in the league history without crossing each other's goal line. It was a real game from start to finish. From the opening of the first quarter until the time was called there was always something to be looked for. Time and again a Punahou or Kam back would start a race down the field toward the goal posts, so far away, only to be stopped by a watchful defense.

The score of 0 to 0 does not always describe a football contest. It might have been 2 to 0 or 1 to 0, had the teams taken advantage of the opportunities that presented themselves. They fought each other back time after time, and when Kam threatened to score the day with a three-point score Punahou rushed through the line and forced the waiting drop kick or to lose a chance of being a hero.

Large Crowds Out.

And the crowd was out Saturday with all the colors of the schools, and on one side the Kam students cheered their men on to victory, giving their yells, singing their battle songs, and the gray suits of the cadets made a pretty contrast with the white dresses of the girls from the school across the way. It was not the lusty lunged young man who won the honors in the cheering sections on Saturday. The fair maidens who cheered on both sides of the field sent their sopranos, contraltos, etc. to defy the opposition. Punahou had a section of young ladies beautifully garbed, with the Punahou colors prominent to an extreme. And they put their brothers to shame when the cry of "Hold 'em" was started by the yell leader.

More than 1000 spectators gathered around the field, and throughout the crowd could be found ex-University stars who have not lost their interest in the game. This was one of the big features of the year. The students were expected to be present, but it was a mighty good omen to see the old grads out giving the young men and young women encouragement in a game that has always been popular with the lovers of good, clean sports.

Napihaa Makes Gain.

Picking out the stars on the two aggregations would be like picking a team entire. Napihaa and Correa had plenty of opportunity to distinguish themselves, and they did in running back the ball at times, and charging around the ends. Watching the play close Napihaa was always seen moving along a foot farther after he was stopped, while Correa made most of his gains by sweeping end runs. Correa also punted well, and on several occasions booted the ball as far as the best of the collegians. There were errors of commission and errors of omission. They stood out like a sore thumb, but that made the game interesting, as the crowd was on edge every minute. The good plays, though, far outweighed the honors of the day.

The entire Kam team played well, but Eaton, Bertelmann, Gibson and Ione made nice gains through the line, while the two Bertelmanns in the forward line broke through the offense on many occasions. Gifford played a sterling game for Punahou and often stopped the charging backs. The Kam ends showed good judgment in planning their defense, and often outguessed the opposition on plays around their flank.

There was really no better team on the field on Saturday. It might be that some one would pick one, and some another, but Punahou fought hard and the spirit made by the Kam team in the last half was well taken care of by Midkiff's men. The next game will be a good one and the fans will no doubt be out in numbers to cheer the men on to victory or defeat.

Details of Play.
